DISTRICT  
6080

Be a gift to the world

## MESSAGE FROM GOVERNOR STEVE

We started the year with service as our emphasis and let us end the year in the same manner. If you recall, in July 2015 we began our Rotary year with the District 6080 Food Fight where nearly 80% of our clubs participated in helping the poor have access to food. Service above Self means caring for others through local community service projects such as this one, and making contributions to the foundation so we can help serve people in need locally and globally. Our Rotary Foundation is one of the most efficient charitable organizations with 90% of contributions going to the causes it supports, and it was ranked as the fifth best and most impactful charity to contribute funds to this year by CNBC.

Within this edition you will see that we have chartered two new Rotaract clubs and one new Rotary club recently. Many thanks to the sponsor Rotary clubs for making this happen. I am proud that we are bringing Rotary values to more within our communities through Rotary affiliation.

With only two months to go in this Rotary year, let's finish strong by having fun, completing service projects and increasing membership and our contributions to the Rotary Foundation. Please remember the words of John Wooden "You can't live a perfect day without doing something for someone who will never be able to repay you." Thanks for all you have done this year and will continue to do, and for Being a Gift to the World.

Sincerely yours in Rotary,  
Steve Dulle

The 16th annual, mouthwatering, Rock'n Ribs Festival, was held April 22 and 23, at the Ozark Empire fairgrounds to the tune of over 30,000 participants. Organizers of this Springfield Rotary Clubs' event say that unseasonably, summer-like temperatures, made the event close to perfect. There were over 80 barbeque cook teams, 11 hours of live music from 23 local bands, a Texas Hold'em tournament, a

Kids Zone and literally tons of tasty chicken, pork and beef barbeque that was happily consumed by the public. Rock'n Ribs is a Kansas City BBQ Society sanctioned event.

Julie Conway, one of the event organizers, says that the Rotary Clubs of Springfield raised over \$140,000 for seven children's charities.

The proceeds will benefit Big Brothers Big Sisters, Harmony House, Ronald McDonald House, YMCA, Great Circle, Boy Scouts and the Good Samaritan Boys Ranch.

David Bixler says “ Rotary’s Rock’n Ribs is a glowing example of Rotary being a force for good in the world. When all the clubs in Springfield work together to achieve a common goal, anything is possible, and I can’t think of a better common goal than impacting the lives of our kids in the Springfield Community.”

## FULTON ROTARY COMPLETES SERVICE PROJECT FOR CARDV

The Rotary Club of Fulton put the finishing touches on its yearlong service project for the Coalition Against Rape and Domestic Violence (CARDV) this week, mulching around the new playset purchased by the club and staining a new gate.

The Rotary club contributed \$3,600 raised during the 2015 Callaway Cup Mouse Races toward helping CARDV and these funds were matched by Rotary District 6080, resulting in a \$7,200 contribution toward purchases for the domestic violence organization.

The donation allowed Rotary to furnish two "advocacy" rooms, where victims of domestic violence meet with an advocate, identify needs, develop individualized actions to meet those needs, and create a safety plan; completed improvements to the backyard playground (purchased new equipment), patio, and fencing, creating a safer place for children to play outside while their parents are meeting with an advocate, counselor, and/or in a support group environment.

Rotary had partners who helped with the project. The men's basketball team from William Woods University and the youth group from Heartland Nazarene Church helped stain and repair the fence, stain the side porch, install the locking gate, and haul the old play equipment and other miscellaneous items to the curb for trash pick-up. The new Rotaract club at William Woods stained the new gate.

*Mallory York and Baylie Borman, members of the new Rotaract club at William Woods University, stain the new gate.*

## ELIZABETH J. UPTON FUNDRAISER

Elizabeth J Upton was a Rotary Exchange student to Lyon, France in 2013/2014. Her life ended tragically in 2014 in a car accident after her return to Columbia, Missouri. Her mother, Marilyn Upton, a member of the Columbia Northwest Rotary Club, asked that those wanting to contribute funds at the funeral direct these funds to the District 6080 Rotary Youth Exchange for scholarships of our exchange students not able to afford this program. Over \$11,000 was contributed from generous donors at that time. Now, Marilyn has established the Elizabeth J Upton Foundation with the same purpose in mind. The foundation is holding a fundraiser on May 22 from 10a.m. to 2 p.m. at Hoss's Market at 1010 Club Village Drive in Columbia. All donations are tax deductible and will be used in the District 6080 youth exchange program for those needing financial assistance. Please support this wonderful cause. If you are unable to attend and want to donate, send your tax deductible donations to The Elizabeth J Upton Foundation, 1704 Brookfield Manor, Columbia, MO 65203

What did Elizabeth think about the youth exchange program?

"I used to think that the sky only stretched on for as far as I could see. And then where my vision became blurred, the world ceased to exist. But that was before. Before I packed my faith in a suitcase, and my fear in a carry-on, and boarded a plane. I've only been abroad for eight months and fourteen days. But I feel I've lived a lifetime. And as for home, I know now that it hasn't just one name."

- Elizabeth J. Upton

More than 2.5 billion children in 122 countries have been immunized and only two endemic countries remain. So far this year, only nine polio cases have been reported in the entire world. Raymond Plue, past district governor and current Rotary Foundation chair, organized the event and Ray Klingensmith, past president of Rotary International and current chair of The Rotary Foundation, was the speaker.
