## M. Glen Cameron to be awarded the Silver Wheel

*Editors note: Glen's resume is four pages long to cover all that he has done in Scouting, Rotary and life, too long to include in the newsletter. We have summarized below just some of his great work. God Bless you Glen and thank you.*

I am pleased to inform you that the committee has unanimously endorsed the **SILVER WHEEL nomination** for fellow Rotarian and Life member of IFSR, **M.GLEN CAMERON**, PDG OF DISTRICT 6080, Past President of Branson Missouri Daybreakers Rotary Club, member Central Region Committee BSA, Area 5 and Area 6 Vice Pres, Silver Beaver, Silver Antelope, Distinguished Eagle. Cliff Dochterman Award, Celtic Cross, Daniel Carter Beard Masonic Award, Woodbadge Scoutmaster, Ozark Trails Council President and numerous council and regional functions..

He has been involved over the years with Zone meetings promoting Scouting and Rotary projects and IFSR.

## Scott Teare Selected As The New Secretary General of World Scouting

I am absolutely delighted to share with you the following announcement released by the World Organization of the Scout Movement on Saturday, Sept. 29, 2012.

*The World Scout Committee has announced the new secretary general for the World Organization of the Scout Movement.*

*Scott Teare from the United States of America is the new secretary general of world Scouting. Scott is currently the director of the International Department for the Boy Scouts of America.*

*He is a tireless advocate for world Scouting and has successfully kept the torch of world Scouting lit within the Boy Scouts of America among its board members and officers for many years. As one of the Boy Scouts of America's world Scouting ambassadors, Scott was recently awarded the Bronze Wolf and has contributed significantly to establishing and applying the association's international policy.*

*Scott has established diplomatic contacts, maintained relations, and represented the Boy Scouts of America with American businesses operating abroad, foreign embassies, key government leaders, heads of states, and royal family members in an effort to provide sustained financial support and membership growth for world Scouting.*

*Scott has negotiated and established beneficial relationships with other national Scout organizations around the world; and advised and supported Boy Scouts of America officers and leaders who are actively involved in international Scouting commitments, including regional and World Scout Committees and subcommittees, and regional and World Scout Foundations. His direct involvement in supporting the Interamerican Scout Region, especially in setting up the new regional office in Panama, has been especially noteworthy. The new secretary general will take office on Jan. 1, 2013, at the World Scout Bureau Central Office.*

I could not be more proud of Scott for his work over the years as a representative of the BSA in world Scouting and on his selection as secretary general! Wayne Brock, Chief Scout Executive

## In Fond Remembrance

The following Scouting Rotarian has passed on – our thoughts and prayers go out to their loved ones:

My father, Gene Albaugh, died peacefully at home on Sunday, September 2, 2012. He was a great man, and inspiration to all who knew him, we miss him.

*Kindest regards,  
Pamela Albaugh Wolff*

## BSA Jamboree 2013 IFSR Jamboree Commitment

My Fellow Scouting Rotarians.

As you are probably aware the Boy Scouts of America will be holding the National Jamboree in July next year. This will be the first jamboree at the new Bechtel Summit. IFSR has been invited to attend this event and have a booth with a display.

However we will need staff.

If you are already registered to attend the jamboree and would like to be part of our team or if you have not yet applied but would like to attend and know that you will be assigned to the IFSR booth please contact me as soon as possible.

Full details about the jamboree are available at the BSA website including costs.

There is a possibility that we can send staffers that will not make the commitment for the whole jamboree but only part of the time. Now is the time to step forward and help Rotary and Scouting together.

Ian Greig

IFSR Jamboree coordinator.

## Columbia Trip

I hope you have heard about the Colombia trip, 2013 JamCam, through your RI and our newsletter in the last few months. I'd like to remind you again about it. If you know some Scouts and Venturers who are interested in this trip, please send them my way right away. The registration deadline is coming up soon.

If you would like to have the flyer with more details, see this link: <http://www.scouting.org/scoutsource/International/BSAContingent.aspx>

## Nigerian IFSR member seeks joint twinning project with Rotary Clubs(s)

Dear Brian,

How are you and your family. I was happy you introduced me to Fellowship of Scouting Rotarians at the RI convention in Bangkok, Thailand. Thanks once again. Since then, I got back and have been gathering scouting organizations and having meetings with them both in Rotary circle and public.

I need a favor from you. My club needs a partner club on some of our projects and I hope you can help talk to your club to be our partner or twin club as Rotary International will call it.

After getting your reply and the readiness of fellow Rotarians to assist on these projects, my club has gone to all project sites to take photographs of potential beneficiaries of the projects based on needs assessment and all the project locations.

Attached are photos with fresh proposals\*\*. I hope to read from you soon.

Olurotimi Samuel Adeleye

**G.R.A Ikeja, Lagos, Nigeria.**  
**P.O Box 254 Ajuwon Post Office, Agege, Lagos, Nigeria.**

**+234-8034551440**

Editors Note: Mr. Olurotimi gave us three attachments with many photos and much detail, but it is too much information to include in this newsletter. These appear to be just the kind of solid sustainable projects that Rotary is looking for. I have summarized the three projects as 1) Providing education for girls and women; 2) Financial Empowerment for women; and 3) Safe Water for women and children. His descriptions show amounts asked for, partner Rotary clubs, and more.

Please contact him for the details and thorough work he has already done.

## Articles from the International Committee Newsletter

**Castle Saunderson International Scout Centre inaugurated on the Irish border**

Located within the border region of Ireland, between Cavan, Fermanagh and Monaghan, the “Castle Saunderson International Scout Centre” will encourage greater levels of interaction amongst young people from different religious, ethnic and cultural backgrounds. With the help of a EU grant worth EUR 3,45 million, a 30-acre multi activity center has been built, including fully equipped indoor facilities as well as a campsite capable of accommodating up to 1’000 people at any given time. The Scout Movement has a long and proud tradition of helping young people achieve their full potential and become responsible citizens. Castle Saunderson International Scout Centre will allow this tradition to continue and ensure future generations learn the leadership, self-reliance and team building skills that Scouts are famous for.

**BP Bits:**

Quotes: “We never fail when we try to do our duty, we always fail when we neglect to do it.” “There is no teaching to compare with example.” “In all of this , it is the spirit that matters. Our Scout law and promise, when we really put them into practice, take away all occasion for wars and strife among nations.” “See things from the boy’s point of view.” “The most worth-while thing is to try to put happiness into the lives of others.”
