District 6080 Monthly Newsletter

Notes from the Governor

We are nearing the end of the first quarter of our Rotary year. The energy level is high, and the commitment is strong. Foundation giving is off to a good start. So far we are ahead of last year's record-breaking year. We still have a long way to go, but it's exciting to see everyone renew and even expand their commitment to what makes us such a special organization. Our Foundation allows the vision of one person to become a reality.

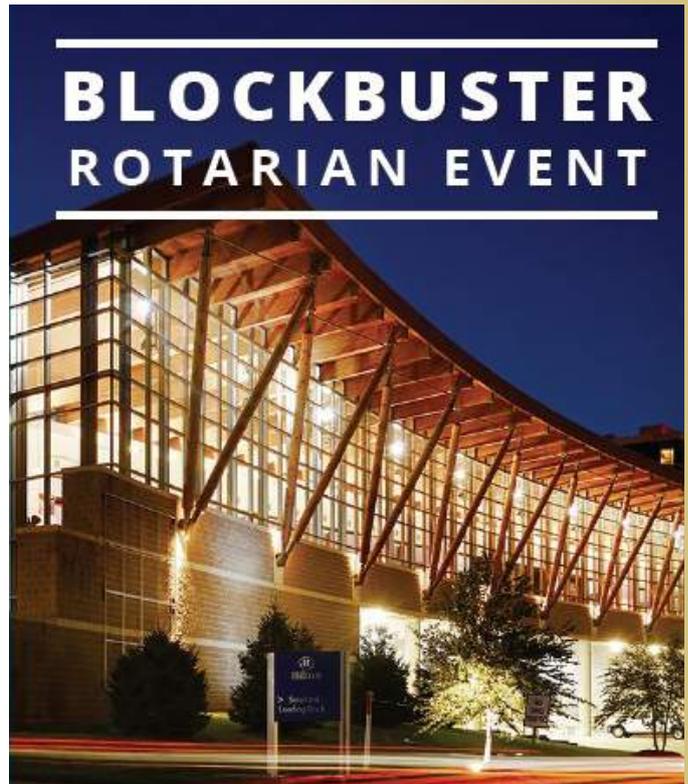

Polio Plus giving is off to a great start as well. It's critical that we continue our support of our #1 project. With 14 cases in Pakistan, 8 in Afghanistan and 3 new cases in Borno, Nigeria we are not only working against a virus, we are also working against tremendous unrest and violence in the remaining affected areas.

It's truly exciting to travel the District and see the impact of our Foundation as clubs begin to use their District Simplified Grants and work on global grants. There are at least 4 groups of clubs working on global grants. The District matches club contributions \$1 for \$1 until the global District Designated Funds are depleted for the year. District Designated Funds (DDF) are distributed on a first-come first-serve basis. Grant applications must be completed, approved and club funding must be in place in order to be eligible for available DDF. Any grants not funded this year are certainly eligible for funding next year, so keep up the great work.

There are all kinds of projects, fund raisers and anniversaries happening throughout the district. Please send reports of what your club is doing to Dick Mazanec at rbmazanec@gmail.com. We want everyone to know what makes us such a great District.

**ROTARY INTERNATIONAL CONVENTION
10-14 JUNE 2017**

Visit the Atlanta convention booth in the Palm Foyer

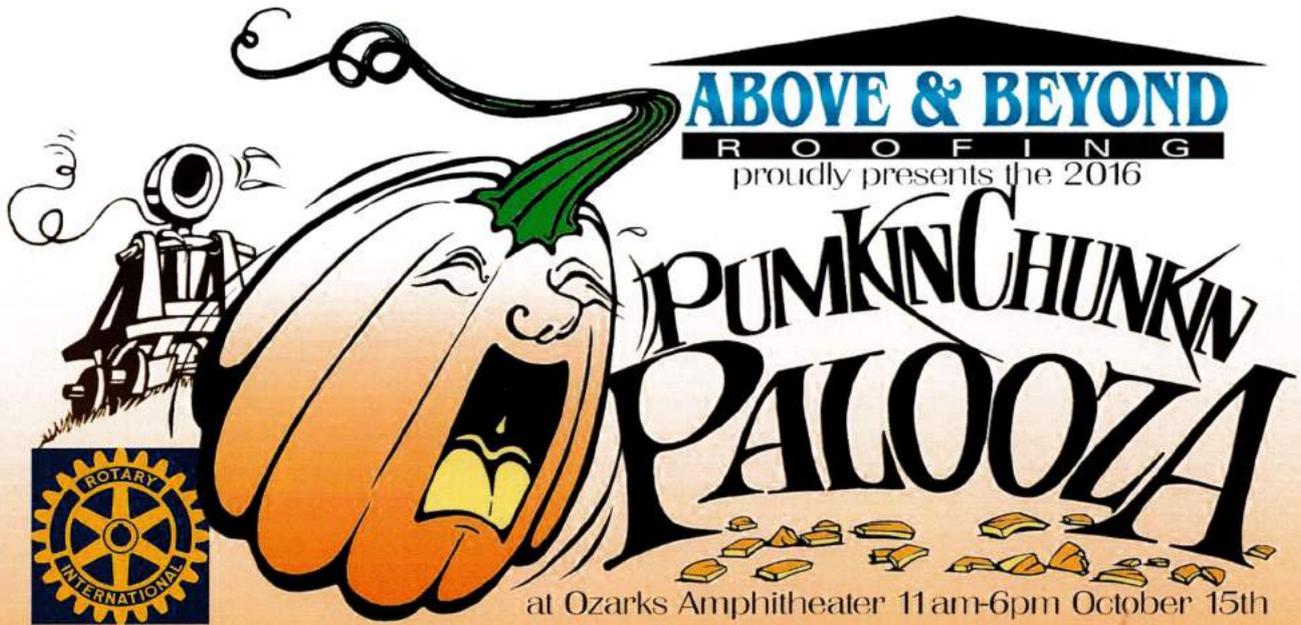

Getting together for a Heart of America fellowship event during an international convention is a long-established tradition in our zones. However, the 2017 convention in Atlanta presents some unique challenges. There are more than 1,700 registrants from Zones 30-31 so any HOA event would have to be limited in number of participants. Moreover, I know of many districts that are having their own events. There will be many, many activities for all participants. For these reasons and in consultation with RIDE Greg Yank and other, I have decided not to hold a Heart of America event in Atlanta this year. Please share with those in your district who are going to Atlanta.
